We Make House Calls

Indeed we do! Action HomeCare has been providing in-home care for over 30 years. As one of the first homecare agencies in the Commonwealth, we were established to enable elderly and disabled people to continue living in their homes by assisting in household management and by providing personal care. Our commitment remains unchanged: To provide quality in-home care.

We're the Home Team

Our workers are local people whose skills are carefully matched to each client's needs. HomeCare workers complete an extensive training program. Personal care workers are certified.

Serving North Shore Communities

Action HomeCare serves the towns of Gloucester, Rockport, Essex, Ipswich, and Manchester.

A Company that You Can Count On

- Managed by a licensed certified social worker.
- Supervised by registered nurses and experienced field supervisors.
- Personal liability and accident insurance carried. We are bonded.
- Competitive prices based on an hourly rate.
- Pay for only the services and time that you need.
- Minimal start-up time and no long-term commitments.
